Please join us at the Pottsville Area High School Courtyard to celebrate National Moth Week. A short presentation will be given on moths and moth identification before we spend time checking our lighttraps and baited trees for moths and other insects. Any moths will be photographed, identified (if possible), and our data from the evening will be submitted to the entomologists from National Moth Week. Everyone who participates will have an opportunity to be citizen scientists. It's also a great chance to enjoy a relaxing summer evening with friends and family. The only thing you will need to bring is a flashlight and your curiosity to learn about our fascinatingly diverse lepidopteran neighbors. You may also bring your camera to help document any moths we come across. There is no cost, but donations are always welcome. All proceeds will benefit the Motivational Science Center Upgrade. This event is open to all ages. Please share this event with friends and if you are planning to attend please select "Going" from the drop down menu. Thanks and we hope to see you there. The Tamaqua Area Chamber of Commerce is pleased to announce its 11th Annual Free Summer Concert Series at the historic Tamaqua train station, 18 N. Railroad St in Tamaqua. The season kicks off Thursday, June 1 with Schuylkill County native Jay Smar, sponsored by the Schuylkill County Visitors Bureau. Concerts are 6:30-8:00 this year, and continue on Thursdays throughout the summer. This year's organizers, Tony Odorizzi and Buddy Musselman, are presenting a lineup of varied styles. "We've got traditional folk with Jay Smar to rockabilly with the Big & Bad Rockabilly Cats to blues, rock, jam, and oldies in the schedule. There's something for everyone," says organizer Tony Odorizzi. Audience members are encouraged to bring a chair or blanket, or plan to dine on the patio of the Tamaqua Station Restaurant. Reservations are recommended for the restaurant as the patio seating fills up quickly. Concerts are weather permitting. "We will again have chair massages this season being offered by Mary Vignone, and 50/50 raffles that can pay for your dinner if you're one of the lucky ones," Vanessa Gerhard, Chamber administrative assistant. There are 2 available Thursdays in August for anyone wishing to sponsor a concert. Please contact the Chamber office at 570.668.1880 or chamber@tamaqua.net for more information. The Tamaqua Area Chamber of Commerce is pleased to announce its 11th Annual Free Summer Concert Series at the historic Tamaqua train station, 18 N. Railroad St in Tamaqua. The season kicks off Thursday, June 1 with Schuylkill County native Jay Smar, sponsored by the Schuylkill County Visitors Bureau. Concerts are 6:30-8:00 this year, and continue on Thursdays throughout the summer. This year's organizers, Tony Odorizzi and Buddy Musselman, are presenting a lineup of varied styles. "We've got traditional folk with Jay Smar to rockabilly with the Big & Bad Rockabilly Cats to blues, rock, jam, and oldies in the schedule. There's something for everyone," says organizer Tony Odorizzi. Audience members are encouraged to bring a chair or blanket, or plan to dine on the patio of the Tamaqua Station Restaurant. Reservations are recommended for the restaurant as the patio seating fills up quickly. Concerts are weather permitting. "We will again have chair massages this season being offered by Mary Vignone, and 50/50 raffles that can pay for your dinner if you're one of the lucky ones," Vanessa Gerhard, Chamber administrative assistant. There are 2 available Thursdays in August for anyone wishing to sponsor a concert. Please contact the Chamber office at 570.668.1880 or chamber@tamaqua.net for more information. Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Description:
Halloween (or Hallowe'en) is a holiday celebrated on October 31. It has roots in the Celtic festival of Samhain and the Christian holy day of All Saints. It is largely a secular celebration, but some Christians and Pagans have expressed strong feelings about its religious overtones.[1][2][3] Irish immigrants carried versions of the tradition to North America during Ireland's Great Famine of 1846.[4] The day is often associated with the colors orange and black, and is strongly associated with symbols such as the jack-o'-lantern. Halloween activities include trick-or-treating, ghost tours, bonfires, costume parties, visiting haunted attractions, carving jack-o'-lanterns, reading scary stories, and watching horror movies.

In terms of Western Christian theology, the feast commemorates all those who have attained the beatific vision in heaven. All day VETERANS DAY

Sat Nov 11, 2017 - Sun Nov 12, 2017

Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Created by: Andrew Leibenguth

Description:

CELEBRATED EVERY NOVEMBER 11th. Veterans Day is an annual American holiday honoring military veterans. Both a federal holiday and a state holiday in all states, it is usually observed on November 11. However, if it occurs on a Sunday then the following Monday is designated for holiday leave, and if it occurs Saturday then either Saturday or Friday may be so designated.[1] It is also celebrated as Armistice Day or Remembrance Day in other parts of the world, falling on November 11, the anniversary of the signing of the Armistice that ended World War I. (Major hostilities of World War I were formally ended at the 11th hour of the 11th day of the 11th month of 1918 with the German signing of the Armistice.) The holiday is commonly printed as Veteran's Day or Veterans' Day in calendars and advertisements. While these spellings are grammatically acceptable, the United States government has declared that the attributive (no apostrophe) rather than the possessive case is the official spelling.

All day PEARL HARBOR DAY

Thu Dec 7, 2017 - Fri Dec 8, 2017

Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Created by: Andrew Leibenguth

Description:

PEARL HARBOR REMEMBRANCE DAY. The attack on Pearl Harbor (or Hawaii Operation, as it was called by the Imperial General Headquarters) was a surprise military strike conducted by the Japanese navy against the United States' naval base at Pearl Harbor, Hawaii, on the morning of Sunday, December 7, 1941, later resulting in the United States becoming militarily involved in World War II. It was intended as a preventive action to keep the U.S. Pacific Fleet from influencing the war Japan was planning to wage in Southeast Asia against Britain, the Netherlands, and the United States. The attack consisted of two aerial attack waves totaling 353 aircraft, launched from six Japanese aircraft carriers. The attack sank four U.S. Navy battleships (two of which were raised and returned to service late in the war) and damaged four more. The Japanese also sank or damaged three cruisers, three destroyers, and one minelayer, destroyed 188 aircraft, and caused personnel losses of 2,402 killed and 1,282 wounded. The power station, shipyard, maintenance, and fuel and torpedo storage facilities, as well as the submarine piers and headquarters building (also home of the intelligence section) were not hit. Japanese losses were minimal, at 29 aircraft and four midget submarines, with 65 servicemen killed or wounded. The attack was a major engagement of World War II. It occurred before a formal declaration of war and before the last part of the infamous 14-part message was delivered to the State Department in Washington, D.C. The Japanese Embassy in Washington had been instructed to deliver it immediately prior to the scheduled time of the attack in Hawaii. The attack, and especially the 'surprise' nature of it, were both factors in changing U.S. public opinion from the isolationist position of the mid-30s to support for direct participation in the war. Germany's prompt declaration of war, unforced by any treaty commitment to Japan, quickly brought the US into the European Theatre as well. The lack of any formal declaration prior to the attack, or even warning or announcement, by Japan led President Roosevelt to proclaim December 7 "a date which will live in infamy".

Description:

Christmas (IPA: /krɪsməs/), also referred to as Christmas Day, is an annual holiday celebrated on December 25 or January 7 that commemorates the birth of Jesus of Nazareth.[2] [3] The day marks the beginning of the larger season of Christmastide, which lasts twelve days. [4] The nativity of Jesus, which is the basis for the anno Domini system of dating, is thought to have occurred between 7 and 2 BC.[5] December 25 is not thought to be Jesus' actual date of birth, and the date may have been chosen to correspond with either a Roman festival,[6] or with the winter solstice.[7] Modern customs of the holiday include gift-giving, Church celebrations, and the display of various decorations—including the Christmas tree, lights, mistletoe, nativity scenes, and holly. Santa Claus (also referred to as Father Christmas, although the two figures have different origins) is a popular mythological figure often associated with bringing gifts at Christmas for children. Santa is generally believed to be the result of a syncretization between Saint Nicholas and elements from pagan Nordic and Christian mythology, and his modern appearance is believed to have originated in 19th century media. Christmas is celebrated throughout the Christian population, but is also celebrated by many non-Christians as a secular, cultural festival. Because gift-giving and several other aspects of the holiday involve heightened economic activity among both Christians and non-Christians, Christmas has become a major event for many retailers.

Description:

New Year's Day is the first day of the new year. On the modern Gregorian calendar, it is celebrated on January 1, as it was also in ancient Rome (though other dates were also used in Rome). In all countries using the Gregorian calendar as their main calendar, except for Israel, it is a public holiday,[citation needed] often celebrated with fireworks at the stroke of midnight as the new year starts. January 1 on the Julian calendar corresponds to January 14 on the Gregorian calendar, and it is on that date that followers of some of the Eastern Orthodox churches celebrate the New Year.

All day VALENTINES DAY

Wed Feb 14, 2018 - Thu Feb 15, 2018

Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Created by: Andrew Leibenguth

Description:

Valentine's Day or Saint Valentine's Day is a holiday celebrated on February 14 by many people throughout the world. In the West, it is the traditional day on which lovers express their love for each other by sending Valentine's cards, presenting flowers, or offering confectionery. The holiday is named after two among the numerous Early Christian martyrs named Valentine. The day became associated with romantic love in the circle of Geoffrey Chaucer in the High Middle Ages, when the tradition of courtly love flourished. An alternative theory from Belarus states that the holiday originates from the story of Saint Valentine, who upon rejection by his mistress was so heartbroken that he took a knife to his chest and sent her his still-beating heart as a token of his undying love for her. Hence, heart-shaped cards are now sent as a tribute to his overwhelming passion and suffering. [1] The day is most closely associated with the mutual exchange of love notes in the form of "valentines." Modern Valentine symbols include the heart-shaped outline, doves, and the figure of the winged Cupid. Since the 19th century, handwritten notes have largely given way to mass-produced greeting cards.[2] The sending of Valentines was a fashion in nineteenth-century Great Britain, and, in 1847, Esther Howland developed a successful business in her Worcester, Massachusetts home with hand-made Valentine cards based on British models. The popularity of Valentine cards in 19th-century America was a harbinger of the future commercialization of holidays in the United States.[3] The U.S. Greeting Card Association estimates that approximately one billion valentines are sent each year worldwide, making the day the second largest card-sending holiday of the year behind Christmas. The association estimates that women purchase approximately 85 percent of all valentines.

All day ST PATRICK'S DAY

Sat Mar 17, 2018 - Sun Mar 18, 2018

Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Created by: Andrew Leibenguth

Description:

Saint Patrick's Day (Irish: Lá 'le Pádraig or Lá Fhéile Pádraig), colloquially St. Paddy's Day or Paddy's Day, is an annual feast day which celebrates Saint Patrick (circa 385-461 AD), one of the patron saints of Ireland, and is generally celebrated on March 17. The day is the national holiday of Ireland. It is a bank holiday in Northern Ireland and a public holiday in the Republic of Ireland, Montserrat, and the Canadian province of Newfoundland and Labrador. In the rest of Canada, Great Britain, Australia, the United States and New Zealand, it is widely celebrated but is not an official holiday. [1] It became a feast day in the Roman Catholic Church due to the influence of the Waterford-born Franciscan scholar Luke Wadding [2] in the early part of the 17th century, and is a holy day of obligation for Roman Catholics in Ireland. The date of the feast is occasionally, yet controversially, moved by church authorities when March 17 falls during Holy Week; this happened in 1940 when Saint Patrick's Day was observed on April 3 in order to avoid it coinciding with Palm Sunday, and happened again in 2008, having been observed on 15 March. [3] March 17 will not fall during Holy Week again until 2160.

Description:

April Fools' Day or All Fools' Day although not a holiday in its own right, is a notable day celebrated in many countries on April 1. The day is marked by the commission of hoaxes and other practical jokes of varying sophistication on friends, family members, enemies, and neighbors, or sending them on fool's errand, the aim of which is to embarrass the gullible. Traditionally, in some countries, the jokes only last until noon. If you play a trick on someone after this time you are the April Fool.[1] Elsewhere, for example in Ireland or France, the jokes may last all day.

Description:

Earth Day is one of two observances, both held annually during spring in the northern hemisphere, and autumn in the southern hemisphere. These are intended to inspire awareness of and appreciation for the Earth's environment. The United Nations celebrates an Earth Day each year on the March equinox, a tradition which was founded by peace activist John McConnell in 1969. A second Earth Day, which was founded by U.S. Senator Gaylord Nelson as an environmental teach-in in 1970, is celebrated in many countries each year on April 22.

All day FLAG DAY

Thu Jun 14, 2018 - Fri Jun 15, 2018

Calendar: Calendar Of Events For Tamaqua And Surrounding Areas (TamaquaArea.com)

Created by: Andrew Leibenguth

Description:

In the United States, Flag Day is celebrated on June 14. It commemorates the adoption of the flag of the United States, which happened that day by resolution of the Second Continental Congress in 1777.[1] In 1916, President Woodrow Wilson issued a proclamation that officially established June 14 as Flag Day; in August 1949, National Flag Day was established by an Act of Congress. Flag Day is not an official federal holiday, though on June 14, 1937, Pennsylvania became the first (and only) U.S. state to celebrate Flag Day as a state holiday.[1] Title 36 of the United States Code, Subtitle I, Part A, CHAPTER 1, § 110[2] is the official statute on Flag Day; however, it is at the President's discretion to proclaim officially the observance. The largest Flag Day parade is held annually in Troy, New York, which typically draws 50,000 spectators. A flag day is a flag-related holiday—either a day designated for flying a certain flag (such as a national flag), or a day set aside to celebrate a historical event such as a nation's adoption of its flag. Flag days are usually codified in national statutes, however, in some countries a decree by the head of state can also order a flag day. The statute or decree may specify locations where flags are flown and how they are flown (for example, at full- or half-staff); alternatively, custom may prevail.
